Please correct your galley proofs and return them within 7 days together with the completed reprint order form. The editors reserve the right to publish your article with editors' corrections if your proofs do not arrive in time.

After having received your corrections, your paper will be published online up to several weeks ahead of the print edition in the EarlyView service of Wiley Online Library (wileyonlinelibrary.com).

Please keep in mind that reading proofs is your responsibility. Corrections should therefore be clear. The use of standard proof correction marks is recommended. Corrections listed in an electronic file should be sorted by line numbers. Please do not incorporate your corrections into the electronic PDF file.

LaTeX and Word files are sometimes slightly modified by the production department to follow general presentation rules of the journal.

Note that the quality of the halftone figures is not as high as the final version that will appear in the issue.

Check the enclosed galley proofs very carefully, paying particular attention to the formulas (including line breakings introduced in production), figures, numerical values, tabulated data and layout of the pages.

A black box (■) or a question at the end of the paper (after the references) signals unclear or missing information that specifically requires **your attention**. Note that the author is liable for damages arising from incorrect statements, including misprints.

The main aim of proofreading is to correct errors that may have occurred during the production process, and not to modify the content of the paper. Corrections that may lead to a change in the page layout should be avoided.

Note that sending back a corrected **manuscript file is of no use**.

If your paper contains **color figures**, please fill in the Color Print Authorization and note the further information given on the following pages. Clearly mark desired **color print figures** in your proof corrections.

Return the corrected proofs preferably by fax or e-mail, or by courier or post.

Please do not send your corrections to the printing house but to the Editorial Office:

FAX +49 (0) 3 31-7 49 95 26
E-MAIL an@aip.de

Please limit corrections to errors in the text; cost incurred for any further changes or additions will be charged to the author, unless such changes have been agreed upon by the editor.

Full color reprints, PDF files, Issues, Color Print, and Cover Posters may be ordered by filling out the accompanying form.

Contact the Editorial Office for **special offers** such as

- Personalized and customized reprints (e.g. with special cover, selected or all your articles published in Wiley-VCH journals)
- Cover/frontispiece publications and posters (standard or customized)
- Promotional packages accompanying your publication

Color figures

If your paper contains **color figures**, please notice that, generally, these figures will appear in color in the online PDF version and all reprints of your article at no cost. This will be indicated by a note „(online color at: www.an-journal.org)“ in the caption. The print version of the figures in the journal hardcopy will be black/white unless the author explicitly requests a color print publication and contributes to the additional printing costs.

Approximate color print figure charges	
First figure	€ 495.00
Each additional figure	€ 395.00 Special prices for more color print figures on request

If you wish color figures in print, please answer the **color print authorization** questions on the second page of our Order Form and clearly mark the desired color print figures in your proof corrections.

Information regarding VAT:

Please note that for German sales tax purposes the charge for *color print* is considered a service and therefore is subject to German sales tax. For **institutional** customers in other countries the tax will be waived, i.e. the Recipient of Service is liable for VAT. Members of the EU will have to present a VAT identification number. Customers in other countries may also be asked to provide according tax identification information.
