My dearest Arthur,

I send you a little communication  
if you think it worth the using. -

I have been so very long absent from  
the Society - (not in person, <sup>only</sup> but writ-  
ing) that they may think me done  
for - but I am still in motion -

and thank God for it! -

I will send you kind message to  
Mr. Sadler - (the rising Dawes  
to the rival Durham.) - He

is worth bringing to light I am sure.

Next Monday, D. V. we go to

Mrs Stackhouse Acton's,

Acton Scott, Church Stretton -
