

I am rejoiced to find that Witt, who has
just resigned Blue Coat Sch. by an appoint-
ment the title of which I don't know in con-
nection with the Stereog. Industrial Aid Soc.
has ~~and~~ abandoned his resolution of giving up
optical work, & has ordered a 2 ft. disc,
which he is sure he can manage. Do get
him a customer if such an one comes in
your way.

11 Dec. 1876.

Hardwick Vicarage,
Hug. R.S.O.

My dearest Arthur,

A basket $\frac{1}{2}$ of thanks for all you have
kindly done & thought & worked out for me. —
Now for a bit of business — on a busy day. —
If quite convenient, I think the following
parties will be especially obliged by the reception
of the Sideral Chromatic —

Isaac W. Ward, Esq. Linen Hall, Belfast.
H. Sadler, Esq. Horiton Rectory. —
G. Witt, Esq. Blue Coat School, Hereford
W. S. Franky, Esq. 1 High St. Leicester.
Rev. T. J. Smith, Thrupton Rectory, Hereford.

And if you will permit me, I have no doubt I
can send you as many more another day. The
above I know will use the book. —
