

I have taken the liberty of enclosing a letter
to Mr. Esdaile in this, as he may probably get it
sooner than at his house, if he leaves early for
Town.

Horrid weather since you were here. —

I forgot to tell Mr. E. that the 3 pieces must
be fitted each into its own place - (the lowest into
the Micr. itself - on the box will not push down.

I closed his letter without putting in the
Key - so I send it by you: stuck down here
out of stamping instrument's
way.

Ever yours very affly

Destro! Mac Dydd!

2^d Thoughts - Envelope being weak,
have taken Key out, to pack in Box. —
