

which, unless otherwise provided, might be
of use in an Observatory. -

A Ring - Aberystwyth crystal picked
up by me on herself - mounted in gold hoops. -

A plain crystal mounted in silver (but
this wants better mounting)

A Book (folio) of Sea Weeds.

A Musical box - 4 tunes. good but not
in perfect order. easily rectified in London.

There might be many other nice little
mementos if you were here - but these are
what most readily occur to me -

Will you kindly let me know soon, as
I shall be glad to terminate these very
painful business.

I had a very sad journey to Cheltenham
week before last - the only time I have left
from home! but business - in part con-
nected with my will, made it necessary. &

I must go again by & by. Meanwhile
I am not likely to stir. I suppose there is
no chance of getting you here - but if there
was, I do not much like asking you to
come where all is so changed! - but I,
at any rate, shall ever be

Your affectionate old Friend
