

Hardwick vic. Excursion Day - 1872 - (43) 1

Very many thanks to you & yours. I will come with pleasure - unless the hoped for arrangements (at 77 Great R. S.) for the rest of my party <sup>at Falls</sup> fail. In that case, or must all 3 get lodgings together.

- You shall hear again. -

!f I can catch a Rainbow I will try the Prism. But I <sup>poorly</sup> fully extinguished every part, though I should think an arc of  $120^{\circ}$ . - down to horizon.
