

I don't see why I sh^d. not come
to breakfast in Hunt. St. next
morning - as early as you like - you
know I am an early bird tho'
I catch no worms! - And
then we can talk over matters.
So sorry about your disappointment
in the Patent office - I hope
you may procure that royal
an award - tho' be well
Yr wife thanks Mrs. Quincy

very much for her kind letter -
for explaining
